Certification

This process certificate is based on the Certificatieschema voor de Procescertificaten Asbestinventarisatie en Asbestverwijdering als bedoeld in de artikelen 4.27 en 4.28 van de Arbeidsomstandighedenregeling ("Certificatieschema") and in accordance with the certification rules issued by Normec Certification B.V.

Normec Certification B.V. certifies that it has the legitimate expectation that the process of identifying the presence of asbestos, asbestos-containing products, and asbestos-contaminated materials or asbestos-contaminated construction elements in a building or structure prior to the full or partial demolition of buildings and/or structures, and of removing asbestos or disposing of asbestos after an incident, including completion of the asbestos inventory report, will be carried out by the certificate holder in accordance with the relevant requirements set out in the Certificatieschema.

Suggestions for the contractor/client

1. The certificate holder:
 - a. will continue to meet the relevant requirements of Certificatieschema;
 - b. will lend its assistance to any reviews conducted by the certification agency;
 - c. will return a process certificate that has been rendered invalid to the certification agency within 14 days of a signed request to that effect; and
 - d. will notify the certification agency of any changes as referred to in Clause 4(2) of the Certificatieschema.
